

# July Online Training Event

## Get Ready for Summer

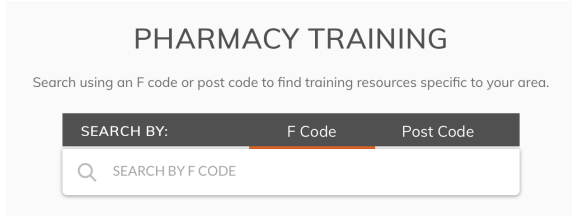

### Aims of this online training

- To understand how to keep your customers safe in the sun.
- To understand what advice to give if people have been sunburnt.
- To understand what precautions people need to take to reduce the risk of being bitten by mosquitoes.
- To look at other advice you can give people to keep them safe and healthy on holiday.
- To understand where people can get advice regarding taking medication abroad.
- To give a list of resources where you can get leaflets and information.
- Course length - 17 minutes
